Description

LEAP Children's Therapy is a warm, friendly and honest practice which provides Occupational Therapy services to children and young people; families, schools and local authorities. LEAP was established by its three directors Elaine, Jo and Nicci to support the needs of children and families around Buckinghamshire, Oxfordshire and Berkshire.

Since opening in 2010, the families requiring our professional expertise and support has grown. This provides an exciting opportunity for a committed therapist to join our dedicated team at LEAP.

LEAP is looking for a professional and motivated Occupational Therapist to join our expanding team at our newly opened London base in Putney. The role will suit a candidate who enjoys flexible working and uses their knowledge and intuition to work with a rewarding caseload. The candidate will work between clinic, schools and homes across Putney, Wandsworth & Wimbledon. There is an expectation of developing a close working relationship with parents, families and school staff to enable children to reach their full potential.

With LEAP you will provide a comprehensive Occupational Therapy service which includes assessment, individual and group therapy, specialist therapy programmes, training sessions and individual advice to parents, families, school staff and professionals. The role will include completing written documentation, paperwork, report writing and general administration duties within our busy practice.

All candidates must have:

- a minimum of 3 years post graduate experience, 2 years of which are in Paediatrics
- post graduate training in Sensory Integration and equivalent courses
- a sound knowledge of child development
- experience of working with children with ASC, ADHD, DCD, Dyspraxia, Sensory Processing Disorders, Dyslexia, Developmental Delay, Down Syndrome and Cerebral Palsy.
- confidence in their clinical abilities and strong effective communication skills.

Helping Children LEAP to their full potential

You can expect to be provided with the full support of our team which includes working alongside a specialist Occupational Therapist with regular clinical supervision in addition to:

- A competitive salary, including regular performance and salary reviews.
- 25 days holiday per annum.
- Work expenses including travel paid
- A strong investment in training and development
- Access to training and supervision for the use of the Therapeutic Listening Programme with your caseload

If you feel you are the right person to join our successful team and make a difference to children's lives then we would love to hear from you.
